

City of Buxton Property Owner,

This letter is being sent to inform you of an error in processing the City of Buxton 2021 assessments. The storm sewer drainage assessment was inadvertently charged twice on your 2021 Traill County Real Estate Tax Statement.

In working with the Traill County Auditor's office, if a check has not yet been written or your taxes are not paid through an escrow account special assessment# 310.10 can be subtracted from your 2021 real estate tax statement.

In the event you have all ready paid your taxes or your taxes are paid through an escrow account, the additional amount paid will be put towards the storm sewer drainage assessment for 2022.

Thank you for your cooperation and understanding with this matter! Please feel free to contact me with any questions or concerns @ 701-330-4171.

Sincerely,

Jackie Siewert
City Auditor
