Mayor Gene Rosholt spoke with John with the ND Sewer Pump and Lift Station Service Company in regards to surge protection on the electrical panel for the lift station. He said would be more expensive than to replace the panel itself. We are still waiting to receive word from Waslien Electric on a breaker system vs fuses.

It was brought to the council's attention of a few snow ruts that need to be filled in. Travis Soderberg and Jeff Siewert said that they would take care of them.

The city has received some calls in regards to loose dogs running within town. All dogs must be on a leash. If a loose dog is picked up by the sheriff, if tagged, it will be returned to the owner with a warning. The second time the owner will receive a fine. The third time the dog will be impounded and the owner will receive a fine as well as be responsible for any impound fees. If the dog is not tagged it will be taken to Circle of Friends in Grand Forks.

The city has received complaints on some unkempt properties. Letters will be sent to the residents. All vehicles must be licensed.

There are many street signs that need to be replaced. Mayor Gene Rosholt will get a list of what is needed and will reach out to the county highway department.

Holly Aamold made a motion to adjourn; Jeff Siewert seconded the motion; motion passed unanimous.
