

BUXTON BEAT

HELP MAXIMIZE DRAINAGE

Any residents that have inlets in their yard please keep them free from any build-up of leaves, grass clippings and/or debris. Your cooperation in doing this will help eliminate the possibility of a disruption of the flow of water.

Thank you from the City of Buxton!

TAX EQUALIZATION MEETING

APRIL 9, 2025 - 7:00PM
Buxton Fire Department

Any residents that have any questions on their current property taxes are encouraged to attend.

The April city council meeting will follow.

THINK BEFORE YOU FLUSH!

Do Not Flush These Items:

- ❖ Wipes of any kind (even the 'flushable' ones)
- ❖ Paper towels
- ❖ Cat litter (even the 'flushable' kind)
- ❖ Hygiene products
- ❖ Grease, fats or oils
- ❖ Cigarette Butts
- ❖ Cotton swaps or tips
- ❖ Diapers
- ❖ Fish
- ❖ Hair

Our sewer system was designed to transport toilet paper and human waste. Flushing anything else can cause clogs to occur in your home and the municipal plumbing lines. Even items marketed as 'flushable' won't breakdown nearly as fast as toilet paper and are a big problem today.

- If a clog occurs in your home's plumbing, the responsibility and cost falls on you.
- If a clog occurs in the municipal sewer line, the cost of repairs could be passed on to users in the form of higher utility fees.

SPRING CLEAN-UP

Mark your calendars! City roll-off dumpsters are scheduled for May 17, 2025 starting at 8:00AM
